

Christian Initiative for nation building Day 2 Breakthrough

Competitive Analysis: What solutions exist that are similar? How is your Solution different?

Similar existing solutions:

*BudgiT: a Civic Organization that applies Technology to intersect citizen Engagement with Institutional improvement to facilitate societal impact.

*Connected Development Initiative (CODE) empowers marginalized Communities to demand goods and services by creating Platforms for dialogue and building Citizen's capacity to hold their Government accountable through It's follow the Money (FTM) Initiative.

How is your Solution different?

* Our Solution is different from the aforementioned in the following ways;

1. We will inculcate Community Organizing and Advocacy features to our Solution.
2. Our Solution will have awareness and feedback mechanism to keep Citizens abreast of the Budget Cycle.
3. Citizens will be able to independently track Government Projects seamlessly.
4. Our App will enable elected Officials do thorough needs Assessment before Project Decisions are made.
5. Our Solution will enable Citizens and Civil Society Organizations track phase by phase Implementation of Projects to avert Project abandonment and diversion of funds.

6. Our Solution will enable Citizens take ownership of Projects to facilitate Sustainability

7. Our Solution will be easily accessible. We will take cognizance of Areas without Internet connectivity

8. Using Chimoney API for crowdfunding donation for projects in communities and also use it for disbursement to the target communities.
